Kurzbeschreibung

In this, Geza Vermes' best known book, there emerges perhaps the closest portrayal that we have of a genuinely historical Jesus. Freed from the weight and onus of Christian doctrine or Jewish animus, Jesus here appears as a vividly human, yet profoundly misunderstood, figure, thoroughly grounded and contextualised within the extraordinary intellectual and cultural cross currents of his day. Jesus the Jew is a remarkable portrait by a brilliant scholar writing at the height of his powers, informed by insights from the New Testament, Jewish literature, and the Dead Sea Scrolls alike. Buchrückseite

This now-classic book is a significant corrective to several recent developments in the study of the historical Jesus. In contrast to depictions of Jesus as a wandering Cynic teacher, Geza Vermes offers a portrait based on evidence of charismatic activity in first-century Galilee. Vermes shows how the major New Testament title of Jesus--prophet, Lord, Messiah, son of man, Son of God--can be understood in this historical context. The result is a description of Jesus that retains its power and its credibility. Über den Autor und weitere Mitwirkende

Geza Vermes was Professor Emeritus of Jewish Studies at the University of Oxford, UK and was one of the world's greatest experts on the historical Jesus, Christian beginnings, and the Dead Sea Scrolls. With the publication of "Jesus the Jew" (1973) he introduced the idea of Jesus as a 1st century Jewish holy man to the general public. His book "The Dead Sea Scrolls in English" (1962) introduced the English reader to the Scrolls, going on to sell over half a million copies.
