### About the Author

John Milton was a seventeenth-century English poet, polemicist, and civil servant in the government of Oliver Cromwell. Among Milton's best-known works are the classic epic *Paradise Lost*, *Paradise Regained*, considered one of the greatest accomplishments in English blank verse, and *Samson Agonistes*. T.S. Eliot remarked that Milton's poetry was the hardest to reflect upon without one's own political and theological beliefs intruding.
