Kurzbeschreibung

"A well-crafted tale of murder begotten by the collision of two incompatible worlds." -Kirkus Reviews
Some Amish communities aren't so cozy.

The death of a teenage Amish girl in a cornfield looks like an accident, but sheriff Serenity Adams suspects foul play. To solve the murder, she must investigate the nearby Amish community with the help of a man who was shunned years ago.

At first glance, the case seems obvious. The poor girl was probably accidentally shot during hunting season, but when the elders of the Amish community and even the girl's parents react with uncaring subdued behavior, Serenity becomes suspicious. As she delves deeper into the secretive community that she grew up beside, she discovers a gruesome crime from the past that may very well be related to the Amish girl's shooting.

Serenity's persistence leads her to a stunning discovery that not only threatens to destroy her blossoming romance with Daniel Bachman, but may even take her life in the end.

**This book underwent a refined edit in 2015.

**This book contains mild romantic sexual situations & some language. Kurzbeschreibung

You can visit Karen Ann Hopkins at her website: www.karenannhopkins.com. Karen Ann Hopkins resides in northern Kentucky with her family on a farm that boasts a menagerie of horses, goats, peacocks, chickens, ducks, rabbits, dogs and cats. Karen's main job is home schooling the kids, but she finds time to give riding lessons, coach a youth equestrian drill team, and of course, write. She was inspired to create her first book, Temptation, by the Amish community she lived in. The experiential knowledge she gained through her interactions with her neighbors drove her to create the story of the star-crossed lovers, Rose and Noah. Karen grew up about a mile from Lake Ontario in Upstate New York. She was bitten by the horse bug at the age of five, and after diligently taking riding lessons for several years, was rewarded with her first horse at the age of eleven. The feisty horse's name was Lady, a Quarter Horse-Thoroughbred cross, who became Karen's steadfast companion. Through the years, the constant force in her life was horses. Eventually, she found her place as a riding instructor herself. Before accepting her fate in the barnyard, she worked a short stint as a paralegal, traveled abroad, and guided tourists on horseback riding tours in the Smoky Mountains of Tennessee. Karen is currently working on her Amish mystery series, Serenity's Plain Secrets, along with the YA paranormal/fantasy series, The Wings of War. Karen is also excited to announce the Temptation series has been optioned for TV by Pilgrim Studios and is available on Audible. Karen's Books YA Temptation
