Declaration..... 1 Introduction "The illusion of America as a wonderland will continue as long as... ..it's profitable to continue the illusion. At the point where the illusion becomes too expensive to maintain, they will just take down the scenery, they will move the tables and chairs out of the way, then they will pull back the curtains and you will see the brick wall at the back of the theatre." (Frank Zappa) 1 Frank Zappa used this phrase to show the capitalistic policy in America and its successful way in spreading out its mass culture all over the world. What is it, that fascinates so much that one wants to live the "American way/dream"? Wear the same things like Americans? BE like Americans? That is the question that I am interested in and which I want to solve in my skilled work. I have been to the USA a few times and I have
