Los Anos Perdidos de Jesus: Pruebas Documentales de los Diecisiete Anos en Que Jesus Viajo A Oriente Elizabeth Clare Prophet

Ancient texts reveal that Jesus spent 17 years in the Orient. They say that from age thirteen to age twenty-nine Jesus traveled to India, Nepal, Ladakh and Tibet as both student and teacher. For the first time, Elizabeth Clare Prophet brings together the testimony of four eyewitnesses and three variant translations of these remarkable documents. She tells the intriguing story of how Russian journalist Nicholas Notovitch discovered the manuscripts in 1887 in a monastery in Ladakh. Critics proved they did not exist then three distinguished scholars and educators rediscovered them in the 20th century. Now you can read for yourself what Jesus said and did prior to his Palestinian mission. It is one of the most revolutionary messages of our time. Now published in Spanish by Summit University Press Espanol. The English edition is in its 13th printing and has sold more than 300,000 copies worldwide!
