Andre Green at the Squiggle Foundation (Winnicott studies monograph series) (Paperback) - Common Volume editor Jan Abram By (author) Andre Green

Despite being one of the foremost psychoanalysts working today, much of Green's work has been unavailable in English. This work rectifies this by collecting together five lectures given to the Squiggle Foundation. It provides an introduction to Green's work and its relation to the work of D.W. Winnicott, as promoted by the Squiggle Foundation.
