Sexy, famous, beautiful Testino portrait is as unmistakable as his subject. MARIO TESTINO: PORTRAITS features the cream of the crop in our celebrity-obsessed age: Naomi Campbell, Jude Law, Kate Moss, Gwyneth Paltrow whose names have become the hallmarks, almost the logos, of the fashion world. Testino's relationship with his subjects is simply and succinctly summed up by Anna Wintour, Editor-in-Chief of Vogue: People love to be photographed by Mario. His innate sense of fashion, which has made him the most sought-after contemporary photographer today, has transformed many of his portraits into icons.
